A MESSAGE FROM THE CITY MANAGER

School is right around the corner. The City enjoyed partnering with the Downtown Merchants, The Bookmobile, Kona Ice and Bartow County Rec Department to host a successful back to school event. We supplied 100 students with school supplies, while receiving a free book from The Bookmobile, playing games with the Rolling Rec and the first 50 visitors received a free Kona Ice drink!

Captain Jason Kellet spoke with the Sans Souci Women's Club on Thursday, July 15th on Women's Safety.

Our police department goes above and beyond for our community and we are grateful for the leadership.

Over the last month we have added two additional Little Free Libraries in our community. This puts us up to eight locations!! What an accomplishment, we are so grateful to work with such fantastic business owners to assist in this effort.

Our newest Little Free Libraries can be found at Livingway Community Center off George Street and Etowah Housing Authority off MLK Drive. Remember to take a book, leave a book.

On Tuesday, July 13th, the Mayor, City Council and the City Manager presented Mr. West a certificate and a handcrafted and engraved watch with his years of service.

On Thursday, July 22nd, the City employees honored Terry with a retirement luncheon full of fellowship and stories from his years with the City.

On Friday, July 23rd, Mr. West clocked in for the last time. Terry has been apart of the City of Adairsville since 1990, dedicating 31 years.

He will truly be missed by his department and by the City. He has done so much for this community and we are appreciative of his hard work and dedication.
